PROFILE

• Saya mampu bekerja sama dengan orang yang baru saya kenal. Saya pun dikenal sebagai pendengar yang baik sehingga mampu menangkap inti persoalan dan memberikan solusi yang tepat.

• Saya adalah orang yang bisa mengambil keputusan dengan cepat dan tepat, bahkan saat berada pada situasi genting atau di bawah tekanan. Bagi saya, setiap pekerjaan adalah penting. Mengerjakannya dengan teliti dan semaksimal mungkin adalah bentuk tanggung jawab saya.

• Saya seorang yang kreatif dan suka mencari alternatif solusi dari berbagai macam persoalan. Saya juga bersikap terbuka terhadap semua kemungkinan solusi yang ada. Kreativitas sangat membantu saya untuk menjadi pemimpin yang baik karena saya bisa mengantisipasi berbagai persoalan.

• Saya adalah orang yang sangat fokus terhadap hasil kerja hingga cenderung idealis. Namun, saya juga bisa realistis saat menentukan target atau tujuan dan selalu berupaya keras untuk bisa mencapai tujuan tersebut dengan cara yang baik dan efisien.

• Lahir di Wonosobo, 08 Agustus 1993, Saya adalah orang yang sangat antusias dengan segala hal berbau pemrograman dan selalu merasa tertantang untuk mengerjakan projek-projek baru pembuatan aplikasi berbasis mobile.

EDUCATION

o   SMAN 2 Wonosobo
   o   Feb 2007 - Okt 2010

WORK EXPERIENCES

IT Support JNE / IT Support JNE

o   Jan 2017 - Jan 2018
   o   Consistently fast, responsible and reliable service has brought JNE into a higher credibility for customers and partners. Along with the increase in foreign investment, national economic growth, the information technology development, and innovations of developed products, the performance of JNE keeps growing and developing in the business world and the people of Indonesia. The business growth and lifestyle evolution has contributed in increasing time sensitive import delivery demand. Not only small package and document scope, but also in handling transportation, logistics, and distribution
